

BEFORE THE SUN IS FOLDED UP an insight into Judaism, Christianity and Islam in the light of transmission

Before the Sun Is Folded Up is a fundamental work insofar as the understanding of the concept of transmission, the light of which is capable of revealing whether the books, the very foundations of the three great spiritual currents for the humanity Judaism, Christianity and Islam can be pronounced to be authentic. However, rather than provide a piece of academic writing, we have tried to write a story in which its anonymous characters travel, study, reflect, investigate, analyse and interpret until eventually they arrive at a coherent vision of history and thought, of the fate of mankind and their existence beyond the barrier of death.
