

IntelCenter Terrorism Incident Reference (TIR): Pakistan: 2008

The 306-page IntelCenter Terrorism Incident Reference (TIR): Pakistan: 2008 book provides a chronological breakout of all terrorist and rebel type activity in Pakistan during 2008. Material is drawn from IntelCenters weekly WTG-IU reports. Reporting is heavily focused on incident type activity, such as bombings, shootings, kidnappings, etc., with some coverage of arrests, threats and other developments. The data contained in each item represents an analysts best assessment of the most accurate information based upon available source reporting at that point in time and their knowledge of the area and groups involved. These items are not simply abstracts. All source information for each item is listed below in brackets.
