

Between 1900 and 2000 an unprecedented effort to use state regulation to guarantee health, opportunity, and security to Americas children failed to reach its goals. This account of the period reveals that the achievements envisioned were extremely ambitious and reflected entrenched, but self-contradictory, values as well as Americans inconsistent expectations of government. Based on extensive research, the volume analyzes the periods public policies that affected childrens welfare, work, education, and health.

L. Tolstoi i Dostoevskii (Russian Edition), Dialog (German Edition), by Thomas L. Friedman The Lexus and the Olive Tree: Understanding Globalization (text only)[Paperback]2000, The inhumanity of socialism, Final Sin Gloria (Spanish Edition), Communism & Christ, Congressional Serial Set..., 2011 China Council for International Cooperation on Environment and Developments annual policy report: Chinas green transformation of the mode of economic development(Chinese Edition),
