

The New England farmer Volume 9

This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1831 edition. Excerpt: ...in Court, who, on being asked why he did not testify H second time as at first, said, Ive altered my mind. The writer does not inform us how he discov-ered this new state of facts; he does not intimate her FaU-Biver Monitor. report. Also the excellent pasture. I have made some inquiry of the Field-driver of that district, who informs me that cattle are j not allowed to go at large in the town of Frai mingham, that if he had found Mr B.s cattle (cutj ing the benefit of the act, he should have driven; them to the pound;--and that the last cattle he impounded for running at large belonged to the chairman of the committee. Yours, very respectfully, A Small Farmer. HUDSON AND MOHAWK RAIL ROAD. Conceiving that our renders will be gratified with a knowledge of the progress and present condition of this work, we have obtained the following information from nn accurate source. Of the excavation and embankment, more than two thirds of the whole work is finished; the whole will be completed by the 1st of April; the culverts and bridges are all finished but the bridge over Pearl Street. The stone blocks are all delivered; these and the broken stone will be laid along the line by the 1st of April. The timber is all contracted for, and will be on the line by the first of May; the iron rails will be ready about the same time. Two locomotive engines have been ordered by the Company, and are expected to be on the road by the 15th of July The company expect to set a locomotive engine in operation by the 15th of July between Lydiua Street, at Albany, and the brow of the hill, at Schenectady. The whole work will be completed by the 15th of October. It is-intended to put the branch line, for the

accommodation of the northern and central parts of Albany under...
