

Poder Teamster (Spanish Edition)

El segundo de cuatro libros sobre las huelgas, esfuerzos de sindicalización y campañas políticas que en la década de 1930 transformaron al sindicato Teamster en Minnesota y en gran parte del Medio Oeste norteamericano en un combativo movimiento social. Escrito por un dirigente del movimiento comunista en Estados Unidos y organizador del sindicato Teamster durante el ascenso del Congreso de Organizaciones Industriales (CIO). Herramienta indispensable para impulsar la política revolucionaria, la organización y el sindicalismo eficaz. Poder Teamster describe el desarrollo y consolidación del sindicato Teamster en Minneapolis y como sus dirigentes de lucha de clases utilizaron la fuerza que los trabajadores habían adquirido durante las huelgas de 1934 para lanzar una campaña organizativa por 11 estados que llevó el poder sindical por primera vez a gran parte del Medio Oeste.
